

Looking for an inexpensive way to gain more exposure for your business or organization while contributing to a worthwhile cause?

This July, in collaboration with the Lincoln Community Playhouse, The Crooked Codpiece Company is producing the musical comedy "Soda Pop," and we now have ad space and sponsorships available.

Every theatrical production carries with it unique funding challenges that ticket sales alone may not cover, and as a small theater company, the CCC relies on ads and sponsorships to help offset the costs of our productions.

Underwriting is a great way to ensure that costs associated with a production are met, including royalties, set construction, costuming and other unforeseen expenditures. It is also a great way to let the public know that your organization is a patron of the arts. If you are interested in making a contribution, we may be contacted by email at info@crookedcodpiece.com or by phone at 402-473-2895. All messages will be returned as soon as possible.

With much appreciation,
the Crooked Codpiece Company
